

Mrs. Buhrman's Summer Program

Summer 2017

June 5-June 23, 2017

9:00 am-12:00 pm

Mrs. Buhrman's summer program is designed to support students academically. If you are interested in your child attending this program, please fill out this form and pay deposit of \$25.00 to hold your spot. This deposit will be used for supplies, including a workbook your child may keep at the end of the program. Each week will cost \$125.00, the program runs Monday-Friday. All three weeks will focus on reading, writing, and math. Reading support will be decoding and comprehension for students entering 1st grade. Other grades will focus on fluency, comprehension, and nonfiction strategies. The math curriculum will focus on math facts, word problems, and building a stronger foundation to prepare your child for the coming school year.

This year, we will be accepting Kindergarten going into 1st grade, to allow for early intervention before 1st grade begins. We will be limiting this program to children going into 1st, 2nd, 3rd, or 4th. You may sign your child up weekly. It is not required for your child to attend all three weeks. The three weeks of this summer program satisfies any requirement for summer tutoring.

Please indicate which weeks your child will attend. Spots are limited this summer, so please turn your form with the \$25.00 deposit to reserve your spot. Please fill out the registration page and return to the school. You may send this back with your child for their teacher, or you may turn it into the office.

A letter will go out after registration to go over the details of the program.

Registration for Summer 2017

Name of student:

Grade entering 2016-17 school year:

Please list any allergies or health issues:

My child will attend the following weeks:

June 5-9, 2017_____

June 12-16, 2017_____

June 19-23, 2017_____

*Each week is \$125.00
