

Happy 2006! Welcome back!

An exciting note for the New Year

Next week is National Vocations Awareness Week, a time designated by the Church to celebrate those who have answered God's call and to help us recognize the need for many more to prayerfully consider this life.

We will again have our Wednesday Vocations Round-up, inviting eleven community members into our school to discuss their vocations. We are especially excited to invite back Father Bobby Pish, a St. Luke alum (class of 1983) who was ordained into the priesthood early summer 2005. He will be here on Wednesday, and will celebrate Mass with us on Friday. It will be a great privilege to welcome Father Pish back to St. Luke Catholic School and to hear his message to our students.

PTC Reminders
