

We at St. Luke Catholic School would like to thank all of our students and parents for another great school year. We are proud of each and every one of our students and hope that each family has a wonderful, safe, and blessed summer break. We hope to see you around, and will spend time this summer getting the school ready for 2006-2007.  
Many blessings!

**Will provide funds for Major Technology Upgrades to St. Luke Library and Science Lab for 2006-2007 School Year.**

**St. Luke Catholic School**  
**San Antonio, Texas 78228**

SCHOOL COUNCIL

31 May 2006

***School Council Update and Year Highlights***

Dear St. Luke Catholic School Community:

The following is a short list of the highlights from the school year for our School Council:

- ◆ Raised over monies to assist in school operating budget and infrastructure improvements, through the Entertainment Book Sale, Spirit Week, and Blackjack Gala.
- ◆ Gathered total school community input in order to revise/recreate the school's mission statement.
- ◆ Developed two alumni events, and plan to continue to develop our school's outreach to school alumni (former students and parents).
- ◆ Managed our school's endowment funds successfully.
- ◆ Developed and ran new Spirit Week event, including the Spirit Night, giving our school another time to gather as one body in Christ.
- ◆ Hosted the Archdiocesan Fall Council Workshop.
- ◆ Opened and dedicated the John Garza Computer Lab.
- ◆ Sold hooded sweatshirts to place more name-recognition items out in the broader public.
- ◆ Ran sessions to pull in more school parents into working with the School Council, and had many more visitors and participants.
- ◆ Improved our school's marketing outreach.
- ◆ Supported the Capital Campaign for the construction of a new Life Center.

*The Council would like to extend a sincere thank you to all who helped with their work this year, most especially Cathy and Reno Puento for their tireless work with the Entertainment Book Sale and all the members of the Blackjack Gala Committee.*

At this time, the Council would like to update families on their activity on two fronts. First, we collected 52 typed pages of information that are being used to develop updated mission, vision, and philosophy statements. The revised statements will be prepared this summer and will be presented early next school year. **THANKS TO ALL WHO HELPED.** Second, the funds raised by the School Council this year will be used where possible for infrastructure improvements. Once the school ends the fiscal year, we will know what is available to this end. This summer, we are planning on improvements in the library and in the Science Lab, both of which will be ready for August 2006.

Blessings,  
St. Luke School Council
