*During the Holy Season of Lent:  
Let me fast from anger and feast on patience.*

### Standardized Testing

Standardized testing for students in grades 1 through 8 is scheduled for April 4 through April 18. Please try to avoid absences, late arrivals, and early dismissals on these dates. Students will not be admitted into class once a test has started; we will not be able to call students out of class if testing is in progress. Students will take a practice test this week to help them prepare for the actual test.

In order for our students to perform their best on these tests, we ask that all parents follow these guidelines:

- Students should get plenty of rest the night before.
- Children should have a good breakfast.
- Testing will begin first thing in the morning when children are fresh and alert.
- Students must arrive to school on time. If a student is late, he/she will not be permitted in the classroom until testing has concluded.
- Make up tests will only be given as schedules of students and proctors permit.
- Stress the importance of these tests with your children but do not overstate it as too much stress is counterproductive.

Thank you for all of your continued support of our efforts. We are confident that our children will perform well.

### Congratulations to the Camarillo Family

At the Casino Royale event on February 19, it was the Camarillo family who won the coveted parking space at the circular drive under the marquee. This space is reserved for them 24/7 for the next year, that is, until the next Casino Royale event. What a great auction item. No matter what event is going on, this space is reserved for the Camarillos; a sign is posted.

Thank you, Mr. and Mrs. Camarillo, for your continued support of our fundraising efforts. Enjoy the space. I am confident the entire school community will honor your "space" throughout the next year.

### 2011-2012 Tuition Information

Tuition information for the 2011-2012 school year is being mailed to current school families on Friday, April 1. Parish records for 2010 were used to determine if a family will receive the in-parish or out-of-parish tuition rate for the 2011-2012 school year. Please review all calculations on your tuition worksheet and contact the school office immediately if there are any discrepancies. Changes to tuition accounts cannot be made after the deadline stated in the letter which will be included with tuition worksheets.
