

St. Luke: The Good News In Education!

The School is celebrating Catholic Schools Week this week. The theme is Catholic Schools: the Good News in Education. At St. Luke, there is much good news and for us, it comes from the energy of our children, the dedication of our parents, and the love of our teachers and staff. *The good news is our people, who together live out the Gospel Commandment of love.* This

year, we honored an NCEA Distinguished Graduate from the class of 1977, Mary Turk. Mary has served St. Luke for 18 years, as a third grade teacher, prepared over 500 students for sacraments, and has given selflessly to make St. Luke a great Catholic School. *We celebrate with Mary in this great honor!*

Congratulations to our Spelling Bee contestants, named on page two. A special congratulations to our champion, Veronica Knisley 5B! The winning word was fusillade.

Date Change for SAT-10 Testing

The Archdiocese has moved up the start date for SAT-10 testing one week, to Monday, 26 March 2007. They wanted an earlier start to facilitate earlier test returns and less conflict with Holy Week. The bulk of our testing will be done the week of 26-30 March. Please be sure to avoid all absences and tardies that week. Thanks!
