

# Spirit Wear!

The School Council has set a goal to get more spirit wear out to parents and students, so that families can share their school with the community. To that end, we have our Spirit Week T-shirts and a few cool weather items. So that these items arrive by Spirit Week or Christmastime, we will have a short turn-around on these orders. In the early Spring, we will have polo shirts and hats for the upcoming warmer weather.

**On-time order forms are due by next week Wednesday, 1 November.**  
**After that, there are no guarantees on delivery dates!**
