

**St. Luke Catholic School**  
**San Antonio, Texas 78228**

PRINCIPAL  
ANDREW ILIFF

14 February 2007

Dear St. Luke Catholic School Families,

At this time, the school is exploring our school families' interest in a Summer Extended Day Program. Last summer's program ran from 6:30 a.m. to 6:00 p.m. Students were given the chance to do some academic work (including their summer reading) and some play during the day. We also had some special offerings such as Spanish lessons, math and English tutoring. The program would continue to only be offered to current St. Luke families and would include the same grades we currently service (students leaving PK4 through 8<sup>th</sup> grade). The cost would be \$25 per day (not including lunches) with a \$100 registration fee.

Through this survey, we are hoping to learn how many families would pursue a program like this should it be offered at St. Luke. Returning the form does not obligate a family to participate. We would encourage comments on the form as well.

---

**SUMMER EXTENDED DAY PROGRAM SURVEY**

**RETURN to OFFICE ASAP, by Tuesday, 20 February.**

- Yes, I would be interested in a summer day program at St. Luke.

Name \_\_\_\_\_

Work phone \_\_\_\_\_

I would enroll the following number of children \_\_\_\_\_

In grades \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_
