## Veterans' Day Mass

Class 7A invites the school community to the annual Veterans' Day Mass on Friday, Nov. 9. All veterans — active, in-active, retired and reserves — are invited. A special blessing and recognition will be extended to all veterans in attendance.

*"This is my commandment: love one another as I love you. No one has greater love than this, to lay down one's life for one's friends."*

—John 15:12-13

+ Heavenly Father -

We thank you for the love of those who served our country in times of turmoil, giving us the chance to live and worship in freedom. Shower them with Your love, and protect those who answer that call to serve today. Amen +

## Calling All Men of the Parish & School

Our Pastor, Father Jim, is sponsoring and organizing a Fall Men's Work Day, here on the Parish and School Grounds, this Saturday, 10 Nov., starting at 8 a.m. in front of the church. The group will have a number of one-day (four+ hour) projects, designed to beautify and strengthen our school and parish facilities. This time around, the group will focus on the grounds and facilities near the church building, extending over to the school areas. There will be landscaping, painting, and other jobs. There is still need for help from those men willing to pitch in their time and effort in service of our children and parish. We truly hope 'school dads' will give of their time. Last week, we added a call for help with a few projects. The playground committee will be working that morning, but the proposed work on the baseball field will not. (We will tackle that job at a later date, when we have more planning in place.) We are asking our school community to participate as a parish community, to better our facilities and grounds. THANKS!
