

# How to activate AmazonSmile on your iPhone or Android

## Step 1: Join AmazonSmile

If you aren't yet an AmazonSmile member, sign up at [smile.amazon.com](https://smile.amazon.com) using a web browser (mobile or desktop). You'll sign in with your Amazon credentials, and the site will walk you through the process.

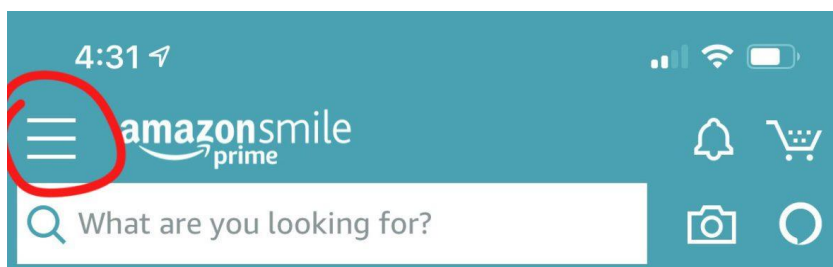

Amazon will ask you to choose your favorite charity. This is where you search for St. Luke School. When the list comes up, be sure to look for St. Luke School in San Antonio, Texas.

## Step 2: Open the Amazon Shopping app on your phone

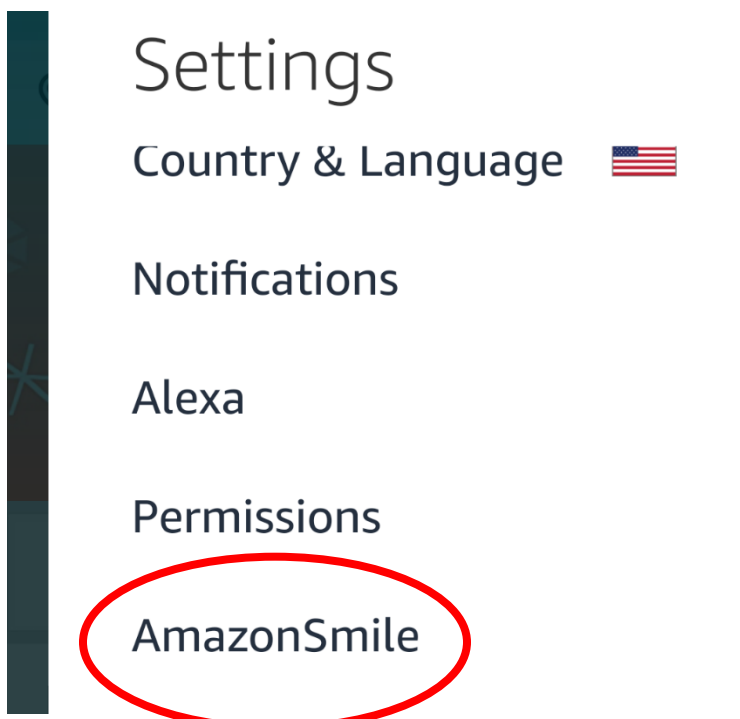

If you don't have the app already, download it from the [Apple App Store](#) or [Google Play](#).

## Step 3: Open Settings within the app

Open Settings by tapping the three horizontal lines (aka the "hamburger") at the top left and tapping "Settings."

## Step 4: Tap AmazonSmile

## Step 5: Tap the button for “Turn on AmazonSmile”

You'll need to follow the three-step setup process. Note that Amazon requires you to turn on notifications to be able to use AmazonSmile on your phone.
