

To: Parents of St. Luke's Beginner Strings

Subject: After School String Classes!

When: after school 3:30 - 4:30

The students were wonderful last school year and we would like to continue enhancing their talents with after school classes for beginners on Wednesdays from 3:30-4:30pm. When available; I would like for our classes to be held in the Parish Hall in order to accommodate all the students. If possible, we will meet upstairs in the CYO building when the Parish Hall is not available. Our first after school practice will begin on Wednesday August 27th.
